Multi-Point Inflation

Indicates how many AirPoles are inflated individually for the simplest set-up and take-down

Cable Entry Points

For added convenience, all awnings have zipped cable entry points for 12V and mains cable access.

SabreLink™ Ready

Attach up to three lights in the living area. Switch the lights on/off and adjust the brightness remotely.

Weathershield™ TC

All the protection of polyester materials with superior comfort. High quality Weathershield™ TC polycotton material allows the awning to breathe, reducing condensation and helping to regulate the interior temperature on hot days.

Weathershield™ 68D

Super lightweight Weathershield™ 68D offers the fastest set-up, take-down, and the smallest awning pack sizes. Highly weather-resistant, this easy to handle polyester offers exceptional value and advanced protection against UV degradation.
